Pro-Care Home Health Services Is Setting New Standards For Health Care

Pro-Care is committed to providing the best possible care available in the home health care industry today.

Our goal is to help our clients recuperate in the comfort and safety of their own home with the assistance of our attentive and caring staff.

Home health care offers clients more:

- Privacy
- Family Interaction
- Freedom
- Education Time
- Independence
- Family Support

Our professional multilingual staff is well-informed of current technologies and treatment innovations in acute care and the home health care settings.

We offer what physicians prefer:

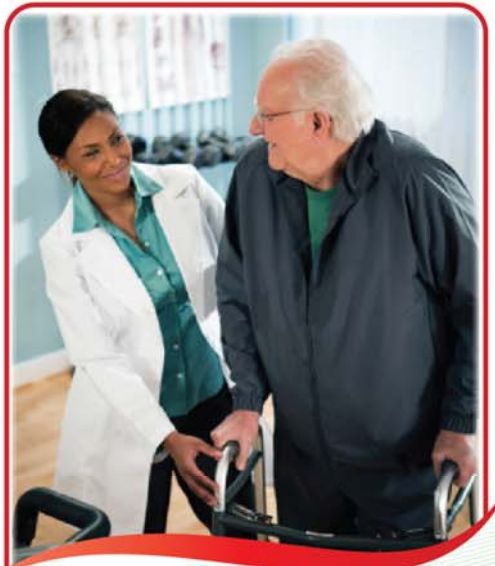

A wide range of traditional medical services **and** newly emerging high-technology services. We offer a professional, efficient and cost effective alternatives to outpatient and institutional care. Pro-Care can offer our patients the care they require at home rather than necessitating longer hospitalization.

Pro-Care Home Health Services Offers A Wide Range of Disciplines

Our staff has been carefully pre-screened, bonded and insured. All of our staff has been thoroughly trained and are continuously evaluated in the duties that they perform.

Pro-Care offers highly skilled:

- » Registered Nurses
- » Licensed Vocational Nurses
- » Certified Home Health Aides

Pro-Care provides our clients with a full range of services from our highly qualified team of therapists.

- » Physical Therapy
- » Occupational Therapy
- » Speech Therapy
- » Medical Social Work
